

Fossil Handling Events at the Rotunda Museum, 2026

Join us for one of our traditional Fossil Handling Events at the Rotunda Museum. These events offer a unique opportunity for people of all ages to meet local geology experts. Explore a fascinating collection of fossils dating from the Jurassic and Cretaceous Periods.

Discover more about the incredible opportunities

presented by the North Yorkshire coastline and beyond, through our engaging hands-on exhibition. The table exhibition is normally open between 11am until 3:00pm. We look forward to welcoming you and your friends.
